

In the same chat, run the following
(filling in your answers from Exercise 4 and the spine you have created):

I am testing the positioning of my book, [TITLE].

Before encountering this book, the reader is likely to
[YOUR ANSWER FROM EXERCISE 4 — BEFORE]

During reading, the reader is required to reconsider
[YOUR ANSWER FROM EXERCISE 4 — DURING]

After reading the book, it is no longer quite possible for
the reader to [YOUR ANSWER FROM EXERCISE 4 — AFTER]

My one-sentence spine, the reason why the book matters now is: [YOUR
SPINE SENTENCE]

Based on this information, how would you explain what this
book is really doing for a reader?
